

Domaine Marcel Couturier, Le Bourg Pouilly-Loché, Mâconnais 2021

£19.50 Goedhuis & Co

Certified organic in 2021 and fully biodynamic from 2022, the grapes here are harvested by hand, fermented with wild yeasts then aged on fine lees for 12 months. This has the typical weight and richness of Pouilly-Loché, with sunny, ripe peach fruit combined with a touch of honey. Acidity provides freshness together with a crisp, mineral finish. Complex and lingering flavours – very well priced. **Drink** 2023-2024 **Alc** 13%
